

Green Oaks Golf Club

January 05 2009

General Membership News: Good news on membership this month, we lost one member and signed a new one. Under the present economic conditions this time of the year, that is just great news. Golf course nation-wide are suffering financially because of the economy so it is a feather in the cap for all our members for remaining loyal and hanging in with Green Oaks.

Management: Not much happening with Green Oaks right now. Still some nice days to golf but they are a lot fewer since the rains have come. We have a new board member, Greg Bryant, who is replacing Vern Hemby. Welcome aboard Greg and to you Vern, our fondest wishes and thanks and we are looking forward to having you back soon. A reminder...the bad weather does not affect the Acorn Room. Business is good so come on down and enjoy your friends and some holiday cheer. For your information: Effective January 1, 2009 Green Oaks will be required to charge the standard 7% sales tax on all good and services except membership dues, and assessments such as handicap and hole -n- one fees. The sales Tax will also be charged on the annual driving range plan

From the Superintendent:

Stay off the greens when frost is present or the ground is frozen. Always check in with the pro shop to make sure your actions don't damage the greens for everyone.

Thanks, Wayne
