

Dewey Pedigo Gets First Hole in One 15 February 2018

The 15th of February 2018, was the highlight of a great guys career. Using a 5 wood on hole number 15, Dewey made his first hole in one. This event was witnessed by his friends Carl Lisowski and Dan Gottschalk. Every one at the club has known Dewey for a long time. He is definitely one of the greatest members at Green Oaks Golf Club. It was an honor to be there and actually watch the surprised look on your face when you actually realized the ball was in the cup.

Congratulations Dewey, and I bet this will not be your last one.
