2/28/2026

### Green Oaks Members,

Updates to the club house are finally complete. The kitchen was our latest update. Thank you to Vasser Drywall and Painting for updating our kitchen for all to enjoy. Numerous people helped to make this possible. Thank you for all your hard work.

Raffle tickets will be sold for a handmade 61"X 79" quilt. This quilt was made and donated by Mrs. Layra Wilson. Proceeds from the raffle will be used to pay for the kitchen update. The winner will be drawn at our second annual Crawfish Tournament Saturday, March 28<sup>th</sup>, 2026. The lounge has tickets for sale.

Please welcome our new Green Oaks members, Andrew Vasser, Chris Carter, Tim Robbins, Diana Stone, and Glenn Atkins.

Green Oaks welcomes all new members. Going forward members who get in under the membership drive reduced rate will have to be people who have never been a Green Oaks member in the past.

Green Oaks Tournament schedule is out:

Green Oaks annual meeting will be held on April 7<sup>th</sup>, 2026. There will be two positions open on the Board of Directors. If you would like to run for the board, please sign up. A sign-up sheet will be posted in the pro shop and the lounge. Proposed changes to update our constitution will also be posted in the pro shop and lounge. Please review these proposed changes. We will bring these possible changes up for review at the annual meeting.

### Course update from Chad

With things starting to green up, you will start to notice more work being done on the course when the weather allows. The greens have been sprayed to eliminate poa annua. We will also begin some tee box work soon. There will be a few new tee boxes built, and some old ones redone. We will sod all of them once we get done with the dirt work. We still have a problem with people not adhering to cart path instructions. Please keep the carts off the course when it is too wet. It will take months for the areas that have been damaged to recover.

President

Billy Fikes, Board
