

**Craig Darner
Hole In One # 13
June 2015**

Craig Darner make his first ever hole in one on number 13 using a 9 iron. Craig would never had made it if his daughter (also pictured above) , Christine did not club him right. She calls almost all of Craig's shots and really got it right today. Great going team. Witnesses to this event (if you can trust them), were Frank Newsome, Cecil Mott, Earl Sims and Jim Pitts (arranged by Age).
