

Mr. Clint Turner, from Corinth, Mississippi, came down to Columbus to play in our first tournament of the year (a 3 Person Scramble). On his way here, he purchased a brand new sand-wedge. Well I think he got his monies worth on Saturday, the 6th of April 2013. His first shot (no practice necessary) with the wedge was on hole-in-one on number 13. Not only did he get a hole in one on 13, but he also won closet to the pin on hole number 15 the same day. He topped it off when he and his partners, Hunter Blackwell and Chip Suggs won first place in the championship flight. Well I guess the trip down south was well worth it. Congratulation Clint on the entire weekend. Here is the team Photo, Women and children close your eyes...
