Good News!!! Some of the greens have been sprigged and are coming along nicely. Fairways are really looking great, US Lawns are making the course so much better now that the good growing season is here. Looks like we are still on schedule for our fall tournaments and member appreciation day on the new greens are coming soon. But first we will be having Glow Ball

Tournaments on July 14th, save the date! Please see Bob Smith for details and anyone who would like to volunteer their time see him as well.

Hope you all have noticed the new flags on Hwy 45, very festive. Please let Bobby know if you would like to make a donation to the flag fund. If you like them well enough let us know if we should put some along Jess Lyons Road near our entrance.

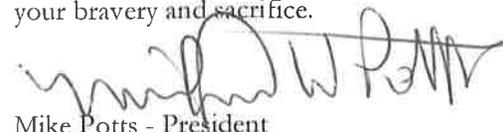

Justin Smith and family have moved in the rental house and have already started making repairs. Justin has done some interior painting as well as roof repairs. We have also made repairs to both restrooms on the course, some plumbing issues were addressed which required dismantling the rear walls and have now been replaced.

Very soon we hope to be painting them and doing some additional landscaping around them. The gravel portion of our driveways have been in disrepair and US Lawns has ordered some gravel to make improvements and a much more enjoyable ride around the club. Thanks Will!!

Shout out to Curt and Sylvia for the repairs and painting of ball washers at the Tee Boxes. This will make it so much nicer with all the rain and mud.

RED SHIRT FRIDAYS

Many of you, me included, may not know that Fridays have been designated as a special day of recognition for our military servicemen and servicewomen. So in honor of those serving both at home and overseas as well as families of military personnel, we ask that you join in by wearing red shirts on Fridays. Wearing a specific colored shirt might seem like a trivial act, but the meaning behind it is significant. It translates to mean that as you prepare for your day, you recognized that others are playing an active role to allow you to go to work or play with relative peace of mind that you are safe. Thanks to all of you that serve or have served for your bravery and sacrifice.
