Gene and Rock are working the grounds to get a better drainage for the course. Rock is busting up the beaver dams every other day. What is needed is sunny, dry, and warm days of course we can only hope. Our greens are in a fragile state. Please do not practice on them especially #18. Thank you for your help. Gene and Rock have been working hard to make the chipping green by the range nice to be used for this purpose.

I want to thank Lindy again for the supplies needed to rebuild the restroom on 14 and Jason Hill for doing the work. Also #3 restroom is now open. Thank you, Bobby Traywick, for your plumbing services. The leak between #14 & the main line has not been found yet due to the constant rain. Steak Night on the 1st and 3rd Thursday of each month is now back on. Please sign up for it on 1 Apr & 15 Apr. The signup sheet is in the lounge.

Members with a cart plan; now that the weather is improving, more people will be coming to GO to play golf, the weekends will be critical. What your membership guarantees, is one round that day. After that the cart goes back into the pool for other people to use. GO cannot afford for members to hang on to a golf cart all day. Your help is needed. Thank You!

ANNUAL MEMBERSHIP MEETING 6 APRIL 21 AT 6PM

Our Annual meeting will be on the 6 of Apr 21 at 6pm. At which time question can be asked on the direction and state of the club. Elections will be held for 2 of the 7 members on the board. Gene Davenport & Roger Hinshaw are up for election. If anyone is wanting to be on the board, please let the Pro Shop know.

Well, that is about it here on GO. Let us enjoy the coming warm weather and play golf.
