Green Oaks Members,

The course is looking better. Thank you to our grounds crew. They have been working hard to get our golf course in good shape.

Green Oaks is deeply saddened by the passing of Bailey “Montana” Jacobs, 31 of Caledonia MS on September 15, 2025. Montana was the son of Robbie Jacobs. Montana was an avid sportsman. Montana loved playing golf with his dad. Many of you may remember him as a teenager playing golf here at Green Oaks. He was always friendly, kind and polite. He entered a room with a big smile on his face and left the people in the room in better spirits just by his visit. Kind words can be short and easy to speak, but their echoes are truly endless- Mother Teresa. Montana, you will be forever missed and loved.

We have several new members, John Sevier, C.J. Wise, Samuel Tate, Doug Murrah. Please make these new members feel welcome.

State of the course report from Chad

Not much to update other than we need rain.

The greens seem to be in pretty good shape other than #2 & #5. The greens have grown in some, but their growth hasn't met our expectations.

I have Justin coming out soon to look at everything & give us suggestions to keep improving. Within the next month, we will be applying chemicals to greens & fairways to prevent poa annua.
