Green Oaks Members,

The month of August has been a hot one with multiple days in the high 90's and even 100°. August 22nd had a high temp of 102 °, marking the highest temperature recorded in Columbus in 2025 so far. Remember to stay hydrated. Our course employees are still working hard during this hot weather to improve our course. We are happy to have “the Rock” Dana Studdard back on our grounds crew. We are also glad to have Kim Zettler as a new bartender.

A special thank you to Carl Liswoski and Billy Jenkins for their work on our sprinkler system. If you see Carl or Billy please let them know we appreciate their hard work.

Congratulations to Earl Sims who had a hole in one on #13 on August 18th.

We have 4 new members, Daniel Zettler, Jared Lewandowski, Jacob Gibson and Landon Pannell. Please greet them and make them feel welcome.

State of the Course Report from Chad

The course is gradually getting better. It's taken a lot of hard work to get where it is. You will notice a few spots turning brown on some greens. New sprinkler heads are scheduled for installation in those areas this week. Please be mindful of where you drive your carts. I've seen a lot of members driving their carts right up to the greens and this is unacceptable.
